beauty queen

In the 19th century, the style changed, the fashion designers dominated the world, women chose their own style and created new styles for the people of the 19th century. In the 20th century, women started wearing fashion and jewelry. In the 21st century, women started wearing jewelry and bangles. It was a big step for women in the 21st century, and this is even more prominent today.

NAARI

beauty queen

In the 21st century the world has changed its face. The fashion industry has become the world's largest industry. It has become a global phenomenon. It has become a part of our lives. It has become a part of our culture. It has become a part of our identity. It has become a part of our soul. It has become a part of our heart. It has become a part of our mind. It has become a part of our spirit. It has become a part of our soul. It has become a part of our heart. It has become a part of our mind. It has become a part of our spirit.
