ethnic sense

In the 21st century, the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also create an inner world through makeup, fashion and people's overall attitudes. In the fifth flower period did not only create fables and myths, it summed up the whole attitude of a generation, and this is even more prominent today.

ethnic sense

In the 21st century, the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also create, in some ways, design, makeup, fashion and people's overall attitudes. In the 19th century, people did not only wear clothes and makeup, it captured up the whole attitude of a generation, and this is even more prominent today.
