Prithvi may be a part of earth but she is not. For earth is made of minerals and stones and she is not. She is a part of the soul and she is not. She is a part of the heart and she is not. She is a part of the mind and she is not. She is a part of the spirit and she is not. She is a part of the soul and she is not. She is a part of the heart and she is not. She is a part of the mind and she is not. She is a part of the spirit and she is not.
