Delectation has a quality of selfness for beauty. It is not a mere pleasure, it is a joy, it is a delight, it is a bliss. It is a joy that is not only for the eyes, but for the heart, for the soul, for the spirit. It is a joy that is not only for the moment, but for the future, for the past, for the present. It is a joy that is not only for the individual, but for the community, for the nation, for the world.
