In the sea of the mundane,
you stand alone, a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty.. but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

From your past will be remembered you, in your own world out of itself and happens. And those reflections seem like to stop, to
pardon to reflect and demands to space. You are a singer. It is perfection. It opens the floodgates of memory waiting to provide
you an absolute glow. And at the same time to happen, because the desire to see you is endless and boundless.
