STYLE

"Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well."

537-008

"Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."

# GLAMOUR

"High and low isn't such a novelty thing. It's how young people interpret the life we've been given! It's how we look at luxury brands, it's how we look at heritage brands."
