

A woman with dark hair and bangs stands in the center of a large, ornate stone archway. She is wearing a long, flowing dress with a pink and purple floral pattern and a matching shawl. She is holding the shawl out to her sides. The archway is made of light-colored stone and features intricate carvings, including circular motifs and leaf-like designs. The background is a wall of similar stone with more arches. The floor is a black and white checkered pattern. A black metal railing is visible on the right side.
