In the 21st century the style trends of the fashion industry dominated the world as it has always done and also reflected not only the unique people dress but also their own behavior and thinking. Changing fashion and people's overall attitudes. In the 60s for example, jeans did not only become popular and trendy, it summed up the whole attitude of a generation, and this is even more prominent today.

A woman is standing in a hallway with intricate architectural details. She is wearing a purple saree with a gold and red pattern. The hallway has white pillars and arches. The lighting is warm and dramatic.
