

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitude. In the 60s flower power did not only mean flares and tunics, it summed up the whole attitude of a generation. This is even more prominent today.

In this era where the single brands of the fashion industry dominate the world more than they ever did, and created not only the way people dress but also trends in home ware design, wedding fashion and party is overall aesthetic. In this era where power did not only mean finance and position, it meant up the whole attitude of a generation, and this is even more pronounced today.
