The  
city illuminates truth  
and reveals reality.  
It does not bring  
new wonders into  
the scope of vision but  
enables one to see  
what is already there.  
Where this eternal light  
intersects the earth,  
it is known as Kashi.  
— Diana L. Eck

Early in the morning  
we crossed the ghat,  
where fires were  
still smoldering,  
and gazed,  
with our Western minds,  
into the Ganges.  
— Mary Oliver
