## The Fashionables sky shines

Grace is the power  
which comes in  
and transforms the  
moments into  
something bet-  
ter. Embrace your-  
self in your style.  
While the most ma-  
jestic shine to en-  
lighten the  
world, elegance is  
a seed that of the  
beauty and charm  
of their own kind.
