"Fashion is not permanent, it is the combination of what is wearing for

CLASSY DREAMS

Under the soft glow of the moonlight, the night sky is a canvas of stars and dreams. The stars are like tiny diamonds scattered across the dark blue velvet of the night. The moon is a large, glowing orb, casting a soft, silvery light over the scene. The clouds are like wispy white smoke, drifting across the sky. The overall mood is serene and dreamlike.
