D.no-12002

A close-up portrait of a woman in traditional Indian attire. She is wearing a maroon-colored garment with intricate gold floral embroidery. Her jewelry is elaborate, featuring a large gold necklace with pink beads, a matching earring, a nose ring, and a forehead ornament. She is holding a pink, rectangular object near her mouth. The background is dark and out of focus.

SUBTLE ROYALTY

A subtle reference of luxury with a touch of...

Embroidery is all about threads. Gold and silver threads are highly in demand today as they are much in vogue nowadays and moreover give a royal feel to any outfit. Silver color threads are common and are given less attention. However, before choosing the thread for the outfit, one should consider the color of the fabric and the threads used in a complementary way. The embroidery we provide includes all varieties in different colors. Please reach us at 020-2606 2606. We also offer the latest designs in different colors like deep green, blue and maroon, purple, orange and more.
