Branding is
an *Intimate*

The Art of Being a Woman
is not an Accident. It's a Choice.
It's the Art of Being a Woman.

Something
YOU CREATE

That's the idea behind
Belliza. Because when you feel
you decide what you do,
what you wear is a reflection
of the way you think and the
way you live.

"Don't be who you are.
Don't make facts for your
you, but you decide what
you are. What you want to
express by the way you
look and the way to
live."

"The dress must follow the body of a woman, not the body following the shape of the dress."
