Curious  
Creation

Many years ago until he remembers you, is  
your smile crafted out of mirth and happi-  
ness. And these reflections cascade from his  
eyes, to ponder, to reflect and ultimately to  
love. Your fashion is magic. It is particu-  
larly the thoughtfulness of memories  
to inspire him in absolute awe. And  
the time for sleepers, because the  
to see you is endless and boundless.
