IN THE MIX MAGIC

"Fashion is part of life daily as it changes all the time, with all the trends, you can never see the appearance of a woman in a dress. You can see her but something is there."

"I like it there's beauty in everything, like, 'beauty' simple
because in life, I can't really see anything of beauty in it"

A-1152

"Don't let the trends. Don't make fashion your ally, but you decide what you are, what you want to inspire,
by the way you dress and the way to live."

"It's like there is beauty in everything. What someone perceives as ugly, I can usually see something of beauty in it."

FASHION DESIRED

"Think more is beauty in everything. What's not of people
people enough, that could give something of beauty to it."

FASHION'S NEW MOOD
