Dreaming Again

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

THE FABULOUE LOOK

"Fashion is not just to our eyes. Once upon a time, our brand was considered the epitome
of fashion. I want to produce things that people really want to buy."

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

THE *MAGAZINE* LOOK

"Fashion is a religion in one sense. Once upon a time, our brand was considered the sacred sanctuary of fashion. I want to produce things that people really want to buy."

SIMPLE pleasures

*What you wear is how you present yourself to the world, especially today,
when human contacts are so quick. Fashion is innate language.*

**THE
WOMAN
within**

"What you wear is how you present yourself to the world, especially today, when human contacts are so sparse. Fashion is nature's language."
