THE EXPRESSIONS OF WOMEN
ARE KEY TO EMOTION AND APPETITE.
TO EACH WOMAN IS HER OWN.
She is a sophisticated, elegant,
unconventional woman who is
looking to her ability to
make independent decisions, her
freedom and her love for
the vibrant world of fashion
and its trends. Her style is a
combination of elegance and
style. A soft, romantic,
well-tailored silhouette. It's
important for her to be in control
of all the details. To be an
admirer of her style is to
admire her ability to
combine style and to feel like
she is part of an elite
community of women who have
style and more than a million
dollars in their pockets.
She is a high achiever
of her own brand. And she
loves to share. With her style
inspiration, her confidence and
a wonderful personality.
The "MEL" clothing system is
made to be worn with the most
sensitive parts of the world.
