Dreaming Again

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

THE FABULOUE LOOK

"Fashion is a religion in one sense. Once upon a time, one brand was considered the maximum sensation of fashions. I want to produce things that people really want to buy."

SIMPLE
pleasures

What you wear is how you present yourself to the world, especially today,
when human contacts are so quick. Fashion is innate language.

**THE
