Elements  
of STYLE

When the sun is high, wear it all the time.  
And when the sun is low, wear it  
all the time.

"If you love something, use it all the time.  
Hot things that last you. This is how you  
look comfortable."

"I have dreams, I'm ready to do anything. What  
I really want is to become a professional. I don't really see  
something of beauty in it."
