"It's not every day that
you see a woman who is
so beautiful. The way she
wears her hair is as
elegant as the red print
of an Indian woman. It's
in her eye."

SAIRA

"I think there is beauty in every thing. When several people perceive an ugly, I can easily see something of beauty in it."

"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag.
It's something collected from our soul to the outside world — on ourselves."

Bright new THINGS

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, Fashion has to do with ideas, the way we live, what is happening.

IT WAS **the**
season
THAT.

Style is the only thing you can't buy. It's not in a shopping bag, a label or a price tag. It's something
reflected from our soul to the outside world—an emotion.
