"I think there is beauty in every thing. When several people perceive an ugly, I can easily see something of beauty in it."

"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag.  
It's something collected from our soul to the outside world—on ourselves."

## Bright new THINGS

Talents is not something that exists in dresses only. Fashion is on the city as the street. Talents like to do with ideas, the way we live, what is happening.

IT WAS **the**

reflected from our soul to the outside world—an emotion.
