"When we enter a new style world,
don't look for the new fashion. It's
discovering that experience when you are
in your own world."

"What you wear to how you present yourself in the world, especially today, when
business clothes are so soft, fashion is in our language."

"That's the best trends. It's not matter fashion with you, but you do like what you wear,
what you want to express by the way you dress and the way to live."
