"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world—an emotion."

"A little bad taste is like a nice splash of paprika. We all need a splash of bad taste—it's hearty, it's healthy, it's physical. I think we could use more of it. No taste is what I'm against!"

"Fashion you can buy, but style you possess.
The key to style is learning who you are,
which takes years. There's no how-to road
map to style. It's about self expression and,
above all, attitude."
