## HEER

"Dressing well is a form of active  
open and frank communication."  
The way you dress says a lot about  
how you conduct yourself and how  
you want others to perceive you. It's a  
silent yet powerful form of commu-  
nication, expressing your personality,  
values, and confidence. When you  
dress with style, you're not just wear-  
ing clothes; you're making an image  
that tells the world who you are. Dress  
yourself always, that way, to every situ-  
ation and dress around you like an  
iconoclast. But, like the artist,  
you'll realize, when to present  
yourself in a certain way.

HEER

"Kuchh toh kisi aur ki zaroori hai"

HEER

"Wearing well is not  
just about appearance,  
it's about how you  
feel. When you  
feel good, the world  
is looking at you  
and you're ready to  
take on the world!"

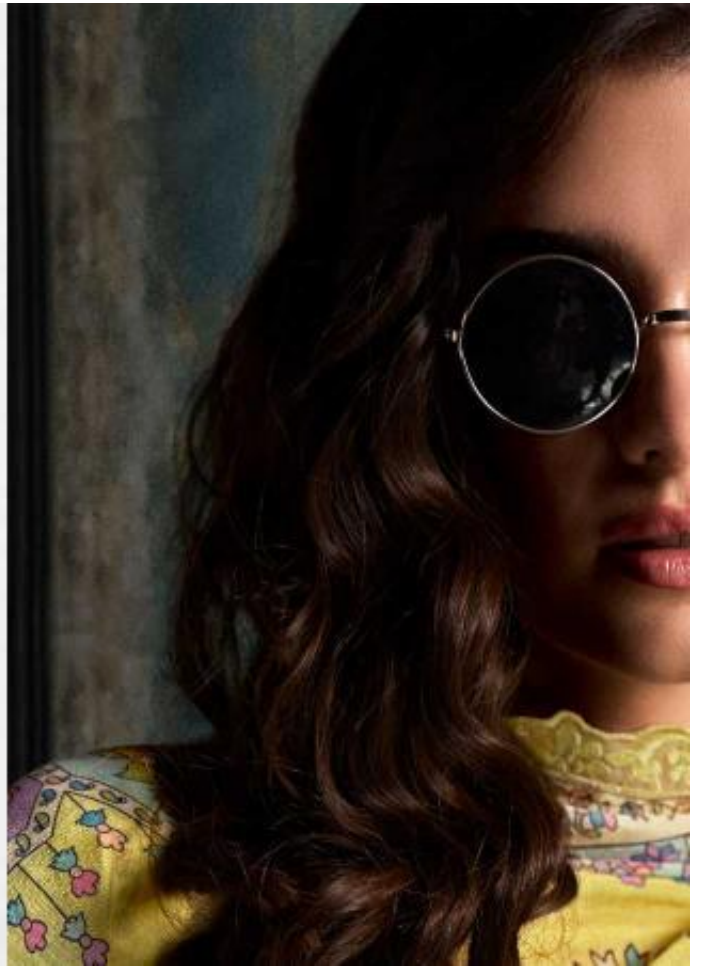

9416

HEER

"Fashion is about showing and making other people dress. The clothes should inspire and make you keep like"

.....

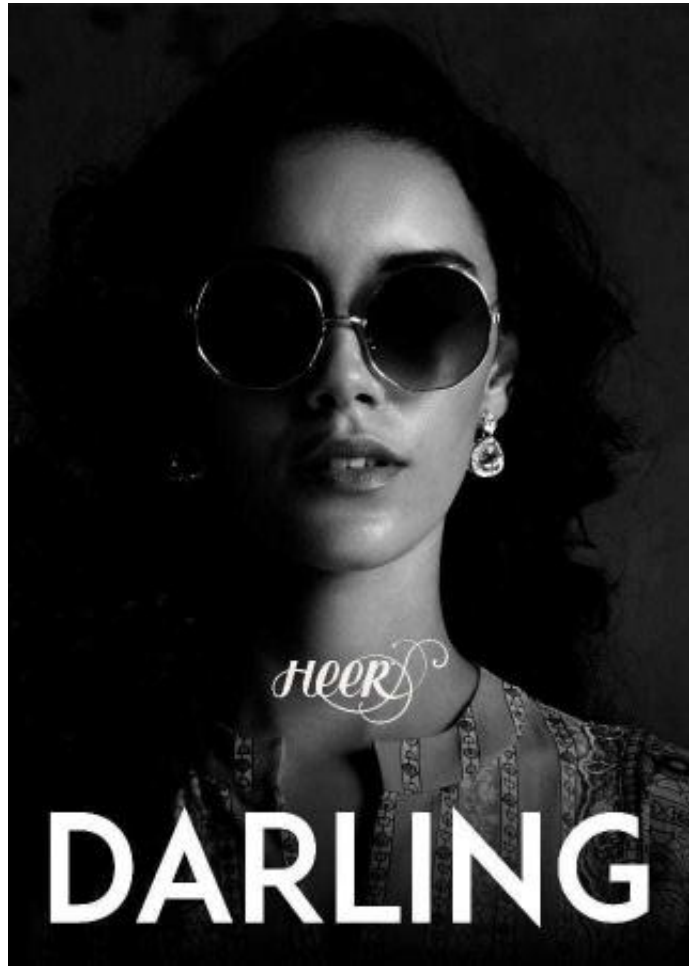

HEER

"They don't really care what you look like how you carry yourself. (All a hand-drawn print never fails)"
