A SARI, SOMETIMES BEING DOTTED BY HAND
IN A SILENTLY QUIETNESS FROM THE FINGER, UNCONSCIOUSLY
IT BECOMES AN IN-EXHAUSTIBLE SOURCE OF INSPIRATION. SOME
STITCHES, SOME THE TOUCH OF A NEEDLE, WHILE SOME ARE
DEDICATED TO THE BODY, WHILE THE OTHER ARE MADE JUST
FOR BECOMING AN ACCESSORY, SOMETIMES BEING A PART OF THE STORY.

It will sometimes seem hard to find
a woman, garment from the fashion subculture
A woman of an individual style of her own
emerged and she looks as a noble, well set out
woman in the world, while the other will never find
her beautiful as a noble, sophisticated looking woman of the world
