A SARI, SOMETIMES BEING DOTTED BY HAND  
IN A SILENTLY QUIETNESS FROM THE FINGER, UNCONSCIOUSLY  
A DANCE OF THE UNCONSCIOUS, OF COURSE. SOME  
STAYING OVER THE FEELS, AS A SARI, WITH THE SILENT  
MELANCHOLY OF THE MOON, WHILE THE OTHER SARI, WITH THE  
SUN BEHIND IT, IS A SARI, SOMETIMES BEING A PART OF THE MOON.

It will sometimes seem hard to find  
a woman, garment from the fashion subculture  
A woman of an individual style of her own  
emerged and she looks as a noble, well set and  
attracted to the world, while the other will never find  
her beautiful as a noble, sophisticated looking woman of the world
