A SARI, SOMETIMES BEING DOTTED BY HAND
IN A SILENTLY QUIETNESS FROM THE FINGER, UNCONSCIOUSLY
IT BECOMES AN ART-WORK OF NATURE. SOME
STITCHES, SOME THE TOUCH OF A NEEDLE, WHILE THE OTHER
RESEMBLES TO THE NATURE, WHILE THE OTHER PART MAY BE
THE RESULT OF A MACHINE, SOMETIMES BEING A PART OF THE NATURE.

It will sometimes seem hard to find
a woman, garment from the fashion subculture
A woman of an individual style of her own
emerged and she looks as a noble, well set out
woman in the world, while the other will never find
her freedom as a noble, sophisticated being in the world
