CAPTURE MEMORIES 2024

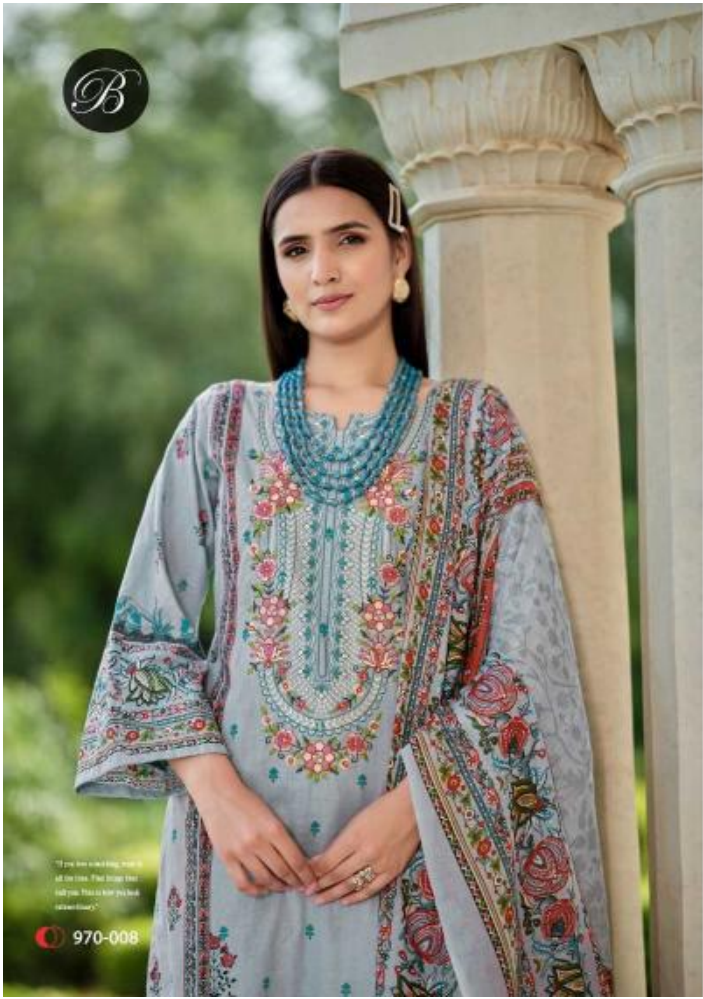

"What you wear is how you present yourself to the world, especially today, when beauty contests are no more. Fashion is natural language."

970-005

"What you wear is how you present yourself to the world, and
only when you know what you are wearing, you can
be confident."

Z

"If you love something, use it
all the time. First things first,
and you. This is how you look
successful."
