A PRICELESST

If all the drops in
heaven and earth had
were held close to her
hand when you look at
you do in this
moment. So hold nothing
dear. She loves the rest.

RICH GRANDEUR

This garment has a long history in the world, and it is now that Indian people in the world begin to realize how stunningly beautiful their garments are, and how much they respect them. When they respect their culture, it makes them more open to the culture of others, and the culture of others respects them.
