WINTER LUXURY

VOL-02

There is a lot of things to do in winter, but the most important thing is to stay warm. The best way to do this is to wear a lot of layers. You can also wear a heavy coat or a blanket. And don't forget to wear your hat and gloves. Winter is a great time to enjoy the outdoors. You can go skiing, snowboarding, or just enjoy the snow. Winter is also a great time to enjoy the indoors. You can cozy up with a book, a movie, or a cup of hot chocolate. Winter is a time of beauty and wonder. Enjoy it all!

Elements of Style

991-001

PRETTY POWERFULL

"Fashion is what you see in other people's clothes. Style is what you see in your own."

"When we think of our style, and I don't see how
you and I have it, it's something that represents who
you and I really are."
