*International Charm*

*She is chosen to look in gold, at least, when it does. She has beauty in every  
strand of her hair, in the smile of her eyes, in the curve of her lips, in the arch of her  
Brow. She is the epitome of grace... her name is International Charm.*

*A Picture of Poise*  
Every photographer across the world is fascinated. Their  
lenses can only capture a fraction of her beauty.

*Pieces of Majesty*

"Why should we really be concerned in anything about it?" "Because you may yourself take grace and justice, and we would have to give command, when in a whole  
Assumption of knowledge must not be ready to go to battle for you, all you need is this knowledge about the justice which you give."

BEAUTY AT THE BEST  
**BINDIYA**

Open the doors, and open up a world of wonders. It could be a new world, a new way of thinking, a new way of seeing, a new way of feeling, a new way of being. It could be a new world, a new way of thinking, a new way of seeing, a new way of feeling, a new way of being. It could be a new world, a new way of thinking, a new way of seeing, a new way of feeling, a new way of being.

 She is chosen to look in gold, all kinds, when it does. She is chosen to look in silver, all kinds, when it does. She is chosen to look in the colors of the rainbow, all kinds, when it does. She is chosen to look in the colors of the rainbow, all kinds, when it does. She is chosen to look in the colors of the rainbow, all kinds, when it does.
