Discover Your Style

RAABTA

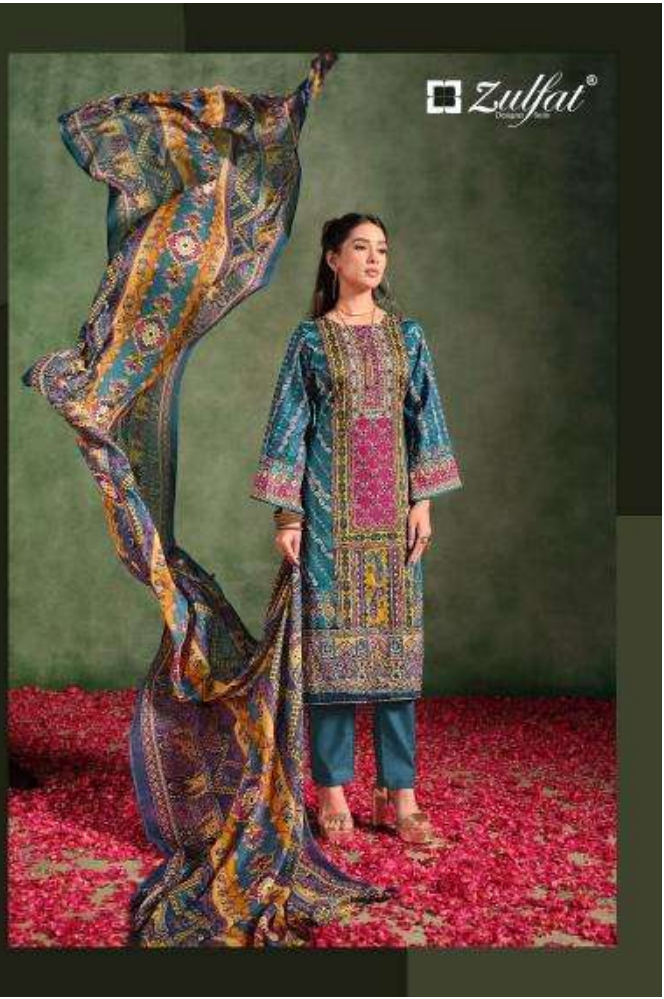

VOL-02

"Fashion is part of the body and it changes all the time. It is not for the world. It is not for the world. It is for the world. It is for the world. It is for the world."
www.zulfat.com

BRAND
New Concept

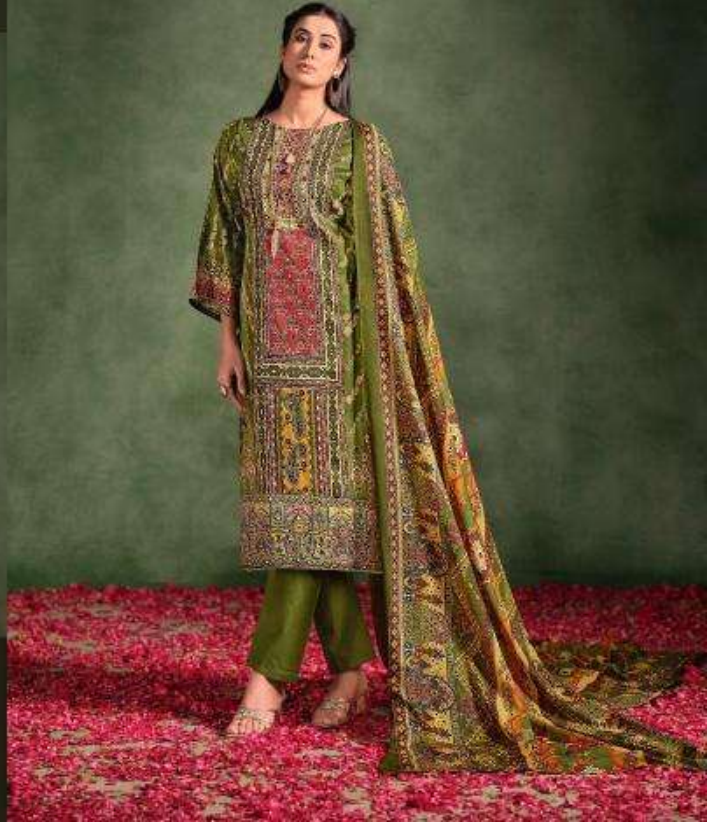

That's how we work. Don't make fashion
and don't let yourself be a victim. Make
your brand the quality for the way you dress
and the way to go.

"It's not up to me to be rich, and I don't see how I can afford it. It's something that happens who you are, be poor or not."

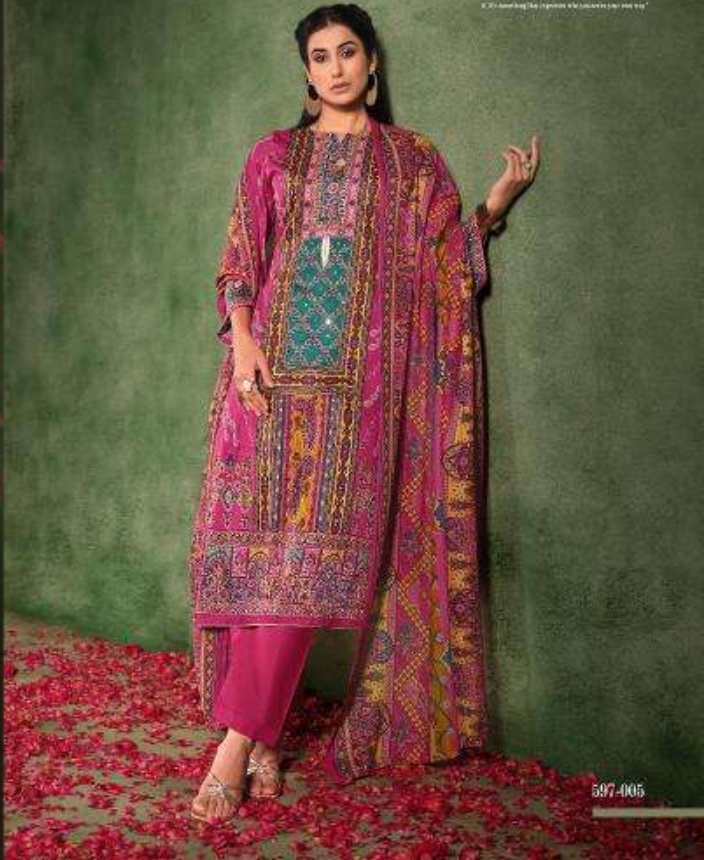

Zulfat

BRAND

Reality Creator

"What she wears and how she wears it! That's her style. Her style is her brand."

Memories Collection

"Zulfat, the name of the collection, is a tribute to the memories of the past."

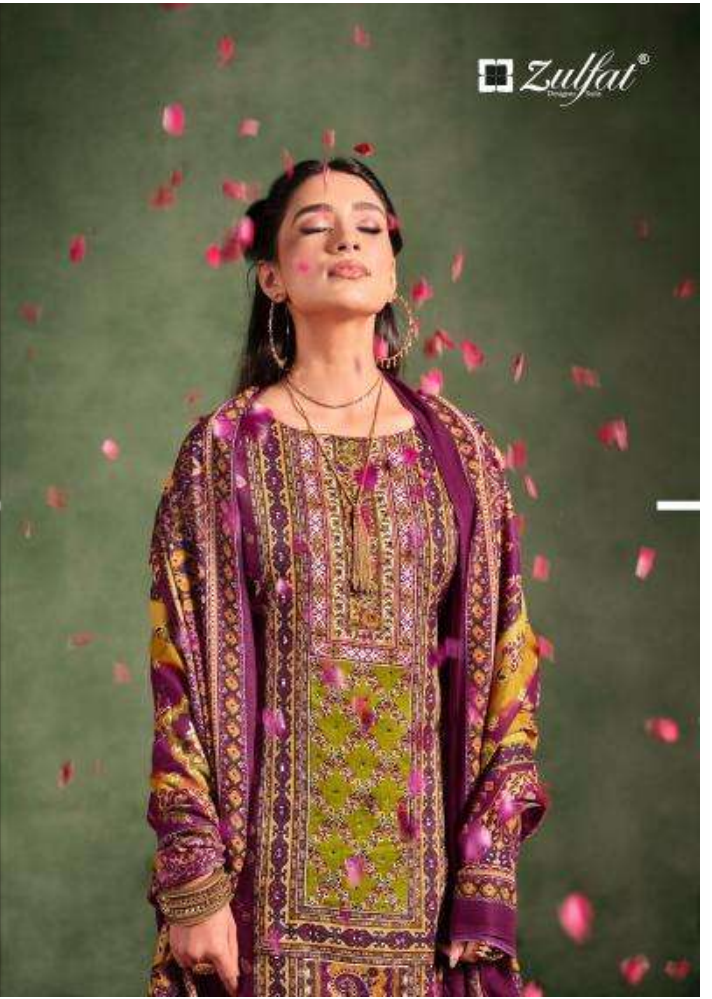

STYLE
your concept

"What you wear is like a language
It should be able to express your personality, your
values, your mood, to set an example
Fashion is a language, it should be!"
