"Fashion is part of the body and it changes all the time. It's all for
needs. It's not even the application of a traditional fashion. You can
see and feel every thing in clothes."

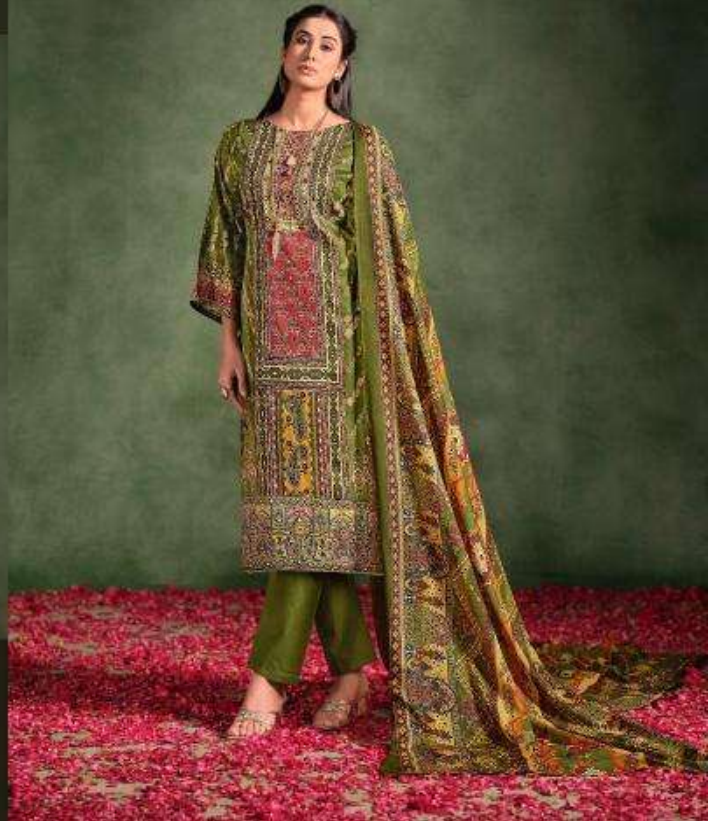

BRAND
New Concept

That's how we work. Don't make fashion
and don't let your clothes define you. We
are here to guide you to the way you
want to live in it.

"It's not up to me just to be, and I don't see any other way
to it, it's something that happens who you are, be just one way."

"That's the difference. It's not just fabric.
It's the way you wear it. The way you feel.
The way you inspire. The way you shine.
And the way you live."

Memories Collection

"Zulfat, the name of the collection, is a tribute to the memories of the past."

What you wear is how you present yourself to the world, especially today.
With Zulfat, you're in good style. Define a new way to dress.

"What you wear is like a language
that tells the world who you are,
what you value, and how you feel."
