VOL-2

Inspired from the tales of Indian history, every fibre, every thread in our culture and old world influences. A fresh collection of prepared fabrics adorned with colorful faces, all infused with a touch of the traditional that reflects the true beauty of our rich & glorious past. Women that can be styled in myriad ways maintain the exclusivity of their traditional designs. Saree folds only to wear - turn around, garments with contemporary designs flow over the body in interesting and different silhouettes, arriving at a look that's both powerful and whimsical.
