NEW PRODUCT

"Think there's more to wearing what we'd just seen on top."
"Especially on something of this sort."

B

MAD ABOUT THE GIRL

"I have been in love with you since I was a child. I have always loved you and I love you more every day."

1006-003

VOL-02

"The fabric is part of the story of our lives. It tells us of the times we have lived, the places we have been, the people we have loved. It is a part of us, and we are a part of it."

IT'S FOREVER
FASHION

"Fashion never changes its meaning, like
some people pretend to do. It
only changes its quality."
