BEAUTY
The beauty of a woman is not in her face, but in her smile. It is not in her eyes, but in the way they sparkle. It is not in her hair, but in the way it flows. It is not in her skin, but in the way it glows. It is not in her body, but in the way it moves. It is not in her voice, but in the way it soothes. It is not in her words, but in the way they are said. It is not in her actions, but in the way they are done. It is not in her looks, but in the way she lives. It is not in her possessions, but in the way she shares. It is not in her power, but in the way she uses it. It is not in her strength, but in the way she shows it. It is not in her courage, but in the way she faces it. It is not in her faith, but in the way she believes. It is not in her hope, but in the way she dreams. It is not in her love, but in the way she gives it. It is not in her life, but in the way she makes it count.
