BEAUTY

It is not just the way you look, but the way you feel. It is not just the way you dress, but the way you live. It is not just the way you smile, but the way you love. It is not just the way you walk, but the way you dance. It is not just the way you talk, but the way you think. It is not just the way you eat, but the way you live. It is not just the way you sleep, but the way you dream. It is not just the way you wake up, but the way you rise. It is not just the way you work, but the way you play. It is not just the way you love, but the way you live. It is not just the way you are, but the way you shine.

A smaller version of the woman in the teal floral sari is shown standing on a balcony, wearing the same outfit as in the first image.
