the
Optimist

Handbags, shoes, a hat and jewelry, all the things a woman needs to complete her wardrobe. But we are all about the girl who lives, who loves, who laughs and who smiles. She is the woman of pure personality, her beauty and elegance are not just about the way she looks, but the way she lives. She is the woman who has the power to change the world and to inspire others to do the same. She is the woman who is not afraid to be different and to stand out from the crowd. She is the woman who is the Optimist.

Model is wearing a traditional Indian outfit with a heavily embroidered cream-colored kurta and a matching shawl with a colorful geometric pattern. The background is dark green.
