**BEAUTY**  
The beauty of a woman is not in her face, but in her smile. It is not in her eyes, but in the way they sparkle. It is not in her hair, but in the way it flows. It is not in her skin, but in the way it glows. It is not in her body, but in the way it moves. It is not in her voice, but in the way it soothes. It is not in her words, but in the way they are said. It is not in her actions, but in the way they are done. It is not in her looks, but in the way she carries herself. It is not in her talents, but in the way she uses them. It is not in her strengths, but in the way she embraces them. It is not in her weaknesses, but in the way she accepts them. It is not in her past, but in the way she moves forward. It is not in her future, but in the way she lives in the present. It is not in her dreams, but in the way she pursues them. It is not in her goals, but in the way she achieves them. It is not in her success, but in the way she shares it. It is not in her fame, but in the way she stays grounded. It is not in her wealth, but in the way she uses it. It is not in her power, but in the way she wields it. It is not in her influence, but in the way she inspires. It is not in her legacy, but in the way she leaves it. It is not in her name, but in the way she lives it. It is not in her title, but in the way she earns it. It is not in her rank, but in the way she rises to it. It is not in her position, but in the way she holds it. It is not in her status, but in the way she conducts herself. It is not in her reputation, but in the way she maintains it. It is not in her image, but in the way she projects it. It is not in her persona, but in the way she reveals it. It is not in her character, but in the way she defines it. It is not in her personality, but in the way she expresses it. It is not in her nature, but in the way she nurtures it. It is not in her essence, but in the way she celebrates it. It is not in her soul, but in the way she connects it. It is not in her heart, but in the way she opens it. It is not in her mind, but in the way she expands it. It is not in her spirit, but in the way she lifts it. It is not in her faith, but in the way she anchors it. It is not in her hope, but in the way she kindles it. It is not in her love, but in the way she gives it. It is not in her compassion, but in the way she shows it. It is not in her kindness, but in the way she practices it. It is not in her generosity, but in the way she offers it. It is not in her humility, but in the way she embraces it. It is not in her patience, but in the way she cultivates it. It is not in her forgiveness, but in the way she extends it. It is not in her grace, but in the way she carries it. It is not in her elegance, but in the way she exudes it. It is not in her sophistication, but in the way she demonstrates it. It is not in her refinement, but in the way she perfects it. It is not in her poise, but in the way she maintains it. It is not in her composure, but in the way she preserves it. It is not in her self-control, but in the way she exercises it. It is not in her self-discipline, but in the way she enforces it. It is not in her self-respect, but in the way she asserts it. It is not in her self-worth, but in the way she affirms it. It is not in her self-love, but in the way she cherishes it. It is not in her self-care, but in the way she prioritizes it. It is not in her self-improvement, but in the way she invests in it. It is not in her self-empowerment, but in the way she claims it. It is not in her self-actualization, but in the way she fulfills it. It is not in her self-fulfillment, but in the way she realizes it. It is not in her self-achievement, but in the way she attains it. It is not in her self-actualization, but in the way she fulfills it. It is not in her self-fulfillment, but in the way she realizes it. It is not in her self-achievement, but in the way she attains it.
