“What you wear is how you should behave”
is the motto, especially today, when there are
countless ways to wear it. #asetlanggala

GLAM
DIVA

CULTURE

With a vibrant and colorful palette of
intricate geometric, floral and floral motifs,
this collection is a true celebration of
cultural heritage.

NEW TREND

"What you wear to how you present yourself
in the world is going today, when fashion
contacts are so quick fashion is in the air, language!"

NEW TREND

"What you wear to how you present yourself
in the world is significant today, when fashion
connects you to quick fashion in virtual language!"

BEAUTY

805-003

What you wear is how you present yourself
to the world especially today when most
contacts are so quick. Fashion is instant language.

NEW TREND

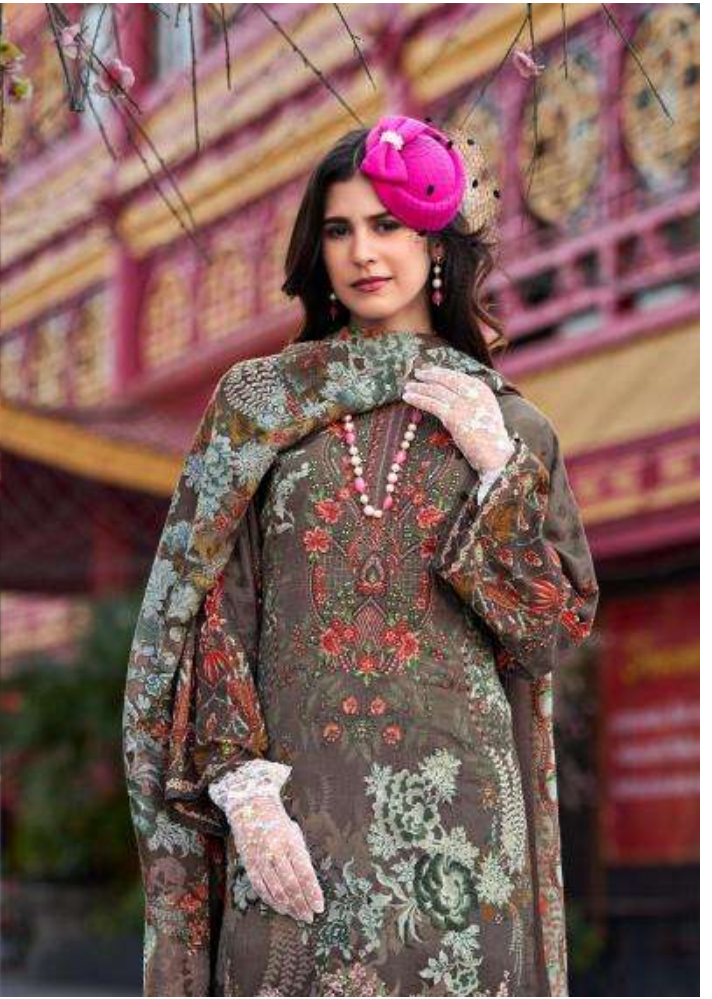

When you wear it, you'll be the most beautiful woman in the room. It's not just a dress, it's a statement. It's a work of art. It's a masterpiece. It's a legend.

805-005

B

UNIQUE

"Who you want to know you please to yourself in the world, does not really matter, when you have
control and an entire fashion to make it unique."
