VOL-97

“What you wear is how you should behave”
is the motto, especially today, when there are
connections as with Naira. #asetlanggala

CULTURE

With a vibrant and colorful palette of
intricate geometric, floral and animal
motifs, this is a truly unique and
distinctive collection.

NEW TREND

"What you wear to how you present yourself
in the world is significant today, when fashion
connects and so quick fashion is in the air."

NEW TREND

"What you wear to how you present yourself
in the world is going today, when fashion
connects you to quick fashion is not care language!"

BEAUTY

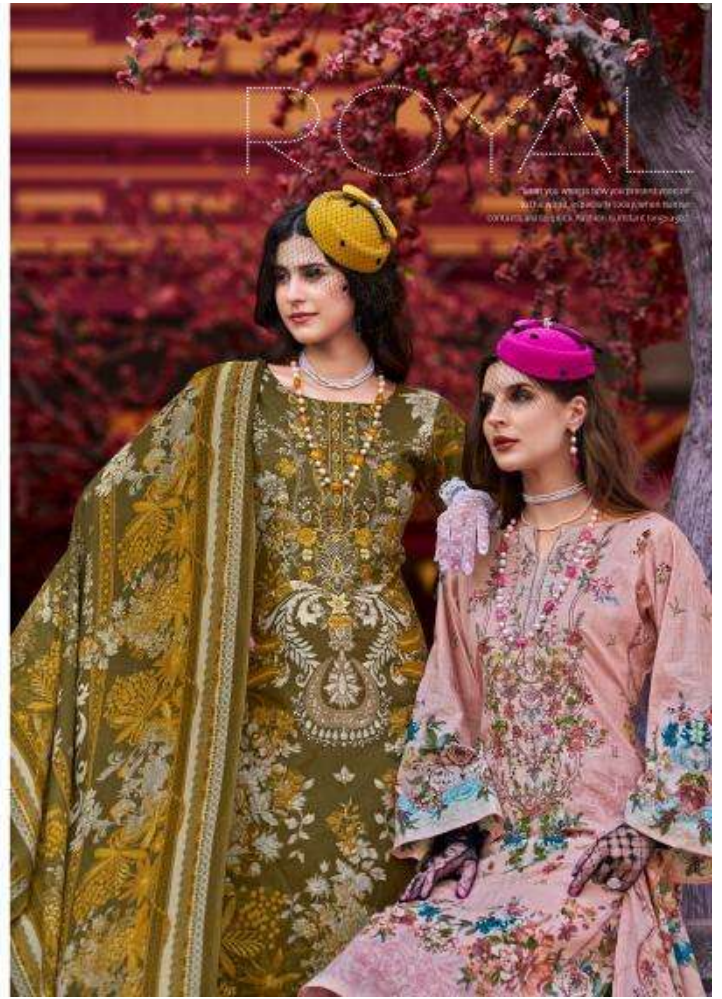

805-003

What you wear is how you present yourself
to the world especially today when nature
connects us so quick. Fashion is instant language.

NEW TREND

When you wear it, you'll be the most beautiful woman in the room. It's not just a dress, it's a statement. It's a work of art. It's a masterpiece. It's a legend.
