

108

My style is schizophrenic! One minute I'll be wearing bright, girly dresses, and the next I'll be swinging towards more structured masculine things.

"During holiday parties I end up recycling a lot of my cocktail dresses and just wearing a layering piece, like a blazer and tights, with it."

My style is schizophrenic! One minute I'll be wearing bright girly dresses, and the next I'll be swinging towards more structured masculine things.
